NEWSLETTER - 4TH QTR. 2018

Dear Friends in Christ,

We thank the Lord for another year of serving Him in the Philippines. All praise goes to Him for what has been accomplished there over these past 26 years and we look for even greater things to be done in the years ahead. Our theme this year is "Call unto Me" from Jer. 33:3.

## Family News by Rachel

We are thankful to spend Christmas this year here in California with my brothers and sister for the first time in 14 years. It is also a blessing that all of our children and their spouses can join us out here for a week of family reunion.

We praise the Lord for protecting us when hurricane Michael swept through the Panhandle area of Florida. We were without power for only 2 days but thankfully no damage to Phil's mother's house where we stay

## Ministry Updates

### ◆ Manaoag Christian Baptist Church

Our young adults and teens have begun the annual Christmas carolling which lasts for 5 nights and covers around 100 homes. We give out gospel tracts to each house.

This coming Sunday worship service (23rd) will be at 5am and in the afternoon will be the distribution of about 20 food baskets that our church family raises funds for every year to give out to needy families.

We are blessed to have 3 teens who will be baptized at the end of this month. Also, in addition to our regular weekly evangelism one of our assistant pastors, Br. Almen, has started going to the town plaza to hold 'chess evangelism' where he plays with various people and witnesses to them.

On the last Sunday of every year we have a special 'Praise Service' where we let our church families give praise to the Lord for what He has done in their lives over the past year. We fill the service with congregational Scripture reading and songs that lift up the Lord Jesus!

### ◆ Manaoag Christian Children's Home

Thank the Lord that the 4 children are all doing well in their health. Philip and Christian are both enjoying their schooling and doing well in their classes. JR still needs improvement with his 'lazy eye' as well as with his speech. The new baby girl, Franchesca, is now 8 months old and growing like a weed but still hardly has any hair :) We are so blessed to be able to provide a home for these precious children and we pray the Lord will bring us more in His time.

We praise the Lord for several generous donations that will allow us to purchase a tricycle (motorcycle with sidecar), computer and printer for the Home as well as stock up on some nutritious foods for the children.

### Prayer Requests

- **Phase 2 building** - the 2 story educational building will cost around \$55,000.
- **Personal vehicle** - please help us pray for a newer vehicle - our 20 year old van has definitely seen better days.
- **Tracts** - for \$850 we can get 10,000 personalized tracts that our church family faithfully hands out.

We will be returning to the Philippines by the second week of January. We thank each of you for your faithful prayers and support on our behalf and we pray that the Lord will continue to bless your lives and ministries.

Serving the Master,
