NEWSLETTER - QUARANTINE 2020

Dear Friends in Christ,

I asked our church family to take pictures during their Lord's Day 'quarantine worship'. Many of them have sent pictures showing the various houses and settings where they have been meeting for the past 6 weeks. What a blessing to see their faithfulness during this time. Here are some of them during their time of worship on the Lord's Day.

Serving the Lord,
Phil & Rachel Frasier
