NEWSLETTER - 3RD QTR. 2020

Dear Friends in Christ,

We are thankful to the Lord for His continued goodness to us in our personal lives as well as our ministry here in Manaoag. All praise goes to Him!

Ministry Updates

- Our worship services have had a steady attendance for the past few months thankfully - about 70% of what it was before the fake pandemic. The 'stay home' mindset seems to have made some people lazy in their obedience to **assemble together** for worship. Some parents cannot come because children are still not allowed to gather outside in public places, and passenger limitations have really raised the cost of riding public vehicles.
- And while many new businesses and private schools here have suffered greatly or been forced out of business during these past few months, thankfully, our church family here has **remained faithful** to give and so our offerings have actually increased each quarter this year. Also, our church ministry here has **zero debt** which is a big blessing. Of course, ultimately, we have a great God for Whom **nothing** is impossible!
- New **Bible clubs** have started, most of which are conducted during the week days now since children do their schooling at

home and have more free time. I believe we have these in 11 different locations throughout the week reaching around 100-150 children with God's Word.

- For the past 4 months we have been having a special meeting on the first Sunday of each month for the teens and young adults. For 4-5 hours we small group studies where we focus on one particular issue each month. We call the studies "Thinking Correctly About . . ." and the recent topics have included '**Convictions**', **LGBT Issues** and '**Internet Addiction**'. The topics have been well received and the number of young people has increased each meeting. Last Sunday we had over 40 in attendance. We always take time to share the Gospel as we always have visitors.
- So we are trying to find creative ways to get around the Devil's roadblocks with the Lord's guidance and wisdom.

Please pray that we will be **faithful** and **fruitful** in our efforts to bring people to Jesus Christ. Thank each one of you for your faithfulness in prayers and support on our behalf. May the Lord continue to bless your faithfulness to Him.
