NEWSLETTER - 4TH QTR. 2020

Dear Friends in Christ,

We rejoice in the blessings of God this year in our lives and our ministry here in Manaoag. Through all of the so-called pandemic the Lord has provided for our needs without fail. Although we had to have **home services** for about 13 weeks, we have been meeting back in our building for 6 months now and our attendance is almost back to normal.

Ministry Updates

- * We are thankful for the **recent salvation** of a young lady who was having issues with demonic possession. She has been attending our services regularly for several weeks now but still needs much prayer and discipling.
- * We praise the Lord for **Manaoag Christian Children's Home** earning the status of '**Accreditation Level 1**' with the Philippine DSWD. This is due to the many dozens of hours that Rachel and the workers in the home spent meeting the many requirements and filling out stacks of forms that the government bureaucracy requires. So our home is now licensed **and** accredited.
- * A young single mother in a nearby town who was struggling financially and became depressed sold her 1 year old baby boy for some money to relieve her of the financial pressures. After a few days she **regretted her mistake** and got her child back with the help of the DSWD who then contacted us if we could temporarily provide care for a child who had been '**trafficked**'. We took him in and for several weeks now he has been doing well here with us. Thankfully, the mother agreed to travel to our place and attend counseling and our Sunday worship service. She prayed **asking the Lord to save her**. Her child is scheduled to be returned to her next week. Please keep her in your prayers that she will become a responsible mother and grow in the Lord.
- * Every Christmas we have a big day for all of our **Bible clubs** bringing them together for a special time. Once again, the so-called pandemic rules won't allow for children to ride public transportation and so to work around that our staff is taking the Christmas celebration (Bible lesson,

games, food) to each of the 9 or 10 locations. Many of our young people helped out with this effort (even in the rain) last week reaching well over **200 children**.

- * Our church family raises money each Christmas season for **food baskets** to be given to needy families on the 24th and this year they have generously raised enough for about 60 baskets, worth \$10 each. Many will meet on the morning of the 24th to organize and fill all the baskets and they will be distributed to those recommended by our church families all over our town.
- * Our young adults monthly fellowship continues to grow and reach many visitors. At December's meeting there were over 50 in attendance. The topic was '**relationships**' which was covered biblically in small groups for over two hours.
- * I am proud to report that **MCBC** gave P60,000 (\$1,200) this year to **foreign missions** which is pretty good for a church our size. We are praying to do more in 2021.

www.mcbbcministries.org

Opportunities to Help

- * We need to build a small **one room school house** nearby our Children's Home to accommodate the children's need for schooling next year. The cost of this is about \$9,500.
- * We are still trying to raise funds for **phase 2** of our church building program - a two storey **educational structure** which costs right at \$64,000.

We thank each of you for your faithful prayers and support for us here. We pray for the Lord's continued blessings in your lives and ministries. Praise God for the good tidings of great joy "*which [are for] all people*". Let's continue to exalt that **Name which is above all names - JESUS!**
