NEWSLETTER - 1ST QTR. 2021

Dear Friends in Christ,

We thank the Lord for the new year in which to serve Him and the new opportunities He will surely bring our way. We are certainly grateful for the good health the Lord has allowed us to enjoy these more than 28 years of ministry here in Manaoag.

Church Updates

- We praise God for our church family here remaining faithful to gather for our weekly worship during a time when many have grown comfortable worshipping from their homes.
- Last year we could not conduct our VBS / Jr. Camp as the lockdown had just started here and it certainly didn't seem like a complete summer without all of the excitement, games, noise and lack of sleep.
- This year we cannot hold regular VBS on our property (no large crowds, children can't travel on public vehicles, etc.) but we are going to each of our 10 Bible club locations each day this week with a scaled down version of VBS. Five teams of workers go out in the morning and afternoon to these areas for a couple of hours of Bible lessons, singing, craft time and a snack. We have been reaching a little over 200 children each day thank the Lord!

We had a full house for our annual Sunrise service this past Resurrection Sunday at 5:30am!

- We have several young adults to baptize in a few weeks 2 of whom are a married couple and both deaf. Another 2 are soon to be married. We will hold our baptismal service at the beach this May where we let each person share their testimony to our church family before baptizing them. This is always a special time for us and very meaningful to those following the Lord in baptism.

Children's Home Updates

- We were blessed to receive a brand new baby girl only 3 weeks old this past February. She was one month premature and her story is too complicated to relay here but we are thankful the Lord brought her our way! She is a good sleeper for which the staff are thankful and she is putting on weight and healthy so far.

We have named her Melody Grace. We thank the Lord for the privilege to care for children who have no one else.

- Thanks to a generous donation organized by one of our church members now working in Saudi Arabia we were able to furnish the Children's Home kitchen with some new and much needed hanging cabinets.

All of the children from our Orphanage dressed up and awake for our early service this past Sunday.

Answered Prayers

- **One Room School House** - generous donations have brought us to about 50% of the needed \$9500. for teaching the kids in our Children's Home this next school year.
- **Vehicle** - more generous donations have allowed us to pass our goal of \$20,000 so we can finally get a newer vehicle!!

May the Lord continue to bless each of you. Thank you for your faithful prayers and support!
